

## Old Town Building Addendum #2

- 1) Bid closing has been extended to September 24, 2021 at 12PM.
- 2) 0.66 acres have been cleared and graded.
- 3) Add brick veneer or cmu as an option to the building.
- 4) Add an option for fire sprinklers in 50'x30' room. (Contractor will put in riser and stub out)
- 5) Five drop cord reels will need to be placed in the bay, county will instruct contractor where to place them.
- 6) Will need a 400 amp electrical panel instead of 200 amp. (Contractor will come off the building 5 feet for electrical.)
- 7) Option for a fire hydrant in front of the station.
- 8) Option for central heat and air unit in the 1500 square foot area.
