Maintenance line item 85 will be \$9,000 to purchase a new lawn mower.

Elevator repairs will come from the Building Repair Reserve Account.

Council discussed the ditch being reconstructed between Recreation and the Tractor Pull site.

The Chairman recommended installing part of the backflow devices this year and the others next year.

Telephones will be \$78,200 in the Public Building line item 21.

IT Department changes as requested by staff and Josh Morton. Also noted that this department only has one salary. Josh updated council on what all is happening in IT.

Clerk of Court line 72 has changed to \$43,400.

In Public Buildings line 72, the updated QS/1 contract reduced the amount by \$100.

The Sheriff has requested to use the old Coroner Van and will be equipped for the purpose that they need.

Hardee Horne let Council know that the water pump needs to be replaced on a vehicle in the Coroner's office. The cost of repair and the value of the vehicle makes it more reasonable to purchase a used vehicle from the State Surplus office that to repair the current one. There is funds available in the vehicle lease account due to not purchasing another vehicle that is in the schedule to replace. He also checked locally at Cromley's but they do not have anything that will work. Council agreed to go ahead and replace it through State Surplus out of the current budget.

Council was provided with updated revenue figures and the final amount will be available soon. Current out of balance amount is \$94,647.00.
