

## **Going Through Probate?**

**If you are transferring a deceased person's vehicle or boat into your name, please provide a completed Certification of Appointment along with a copy of your driver's license.** We will use these documents to create a tax bill in your name. Once the tax bill has been paid, you can take the paid tax receipt to the DMV for vehicles or the appropriate agency for boats to complete the title transfer. (DNR)

### **Planning to Sell the Vehicle or Boat?**

**If you do not intend to keep the vehicle or boat and plan to sell it instead, you may be able to transfer the title without obtaining a tax bill.** For vehicles, contact the DMV regarding a title-only transfer. For boats, contact the Department of Natural Resources or the appropriate state agency for guidance.

**\*\* Please do not pay a tax bill that is still in the deceased owner's name.** If a payment has already been made, contact our office as soon as possible. Depending on the circumstances and applicable regulations, we may be able to assist with a refund or other corrective action. \*\*
